RE: 2021-2022 Elementary School Fees Request  
And Device Fee for all Students

DATE: May 25, 2021

We request approval of a \$25.00 Elementary Student Fee for the 2021-2022 school year.

Instructional materials and supplies purchased with this fee are to be consumable supplies used directly by students. These materials and supplies will supplement the district's provided curriculum.

Additionally, we request approval of a \$50.00 Device Fee for all students for the 2021-22 school year, plus \$25 for each additional sibling, with a cap of \$100 per family. This is a fee request for students to carry their district-issued iPads home. This annual, non-refundable fee helps to off-set the cost of hardware, software, certain repairs, networks, infrastructure, security, filtering, tech support, certain digital resources and more. The fee covers the device only. Damages to cases, charging cords, bricks or loss of these items will be the responsibility of the parent/student to replace.

Staff recommends approval.
